If your score is **below 75%** → You must contact me for recovery coaching.

### Mock Exam Gap Analysis Method (Mandatory)

For every mock exam:

You will:

1. Attempt each quiz or mock exam only once under real exam conditions.
2. Review every incorrect question and read the explanation carefully.
3. Identify the real reason behind each mistake.

4. Revisit the related topic in Rita or PMIC slides.
5. Fix the knowledge gap with focused revision.
6. Move forward with better understanding and confidence.

**Rules:**

- ✓ You will study every day
- ✓ You will not skip any week
- ✓ You will not mix resources
- ✓ You will follow the sequence strictly
- ✓ You will trust the process

**Final Commitment:**

If you follow this plan with discipline, consistency, and seriousness,  
**you will pass the PMP® exam on your first attempt.**

**LMS Learning Path:**

21 - 28 February PMP Exam

**PMIC Message:** In July 2026, the PMP exam format and the PMP application process will completely change. It is very clear from the new ECO that the upcoming exam will be more difficult than the current format.

So, let's achieve this milestone in 2026. Let's influence our stakeholders through expert power. Let's clear the path for continuous improvement. Let's advance our careers.

PMIC is with you.

Thank you
