

PMP

TWO MONTHS

Study Plan

Designed by PMIC

PREPARATION PERIOD: FROM 20 JANUARY 2026 TO 20 MARCH 2026

Objective:

You will pass the PMP® exam on your first attempt by strictly following this **8-WEEK** execution plan using only:

- ✓ PMIC PMP Slides
- ✓ PMIC LMS Platform

Minimum study time: 2 hours daily

Note: This plan is for those who have already studied the Rita Mulcahy book but have not yet studied the PMIC slides or worked on the PMIC LMS. Participants are required to focus on the PMIC slides and complete the sections mentioned in this document on the LMS.

PHASE 1 — FOUNDATION BUILDING:

Weeks 1–3 | PMIC Slides Only

Week	Dates	What You Will Do
Week 1	20 Jan – 26 Jan	<ul style="list-style-type: none"> You will read PMIC PMP Slides every day. You will take short notes.
Week 2	27 Jan – 02 Feb	<ul style="list-style-type: none"> You will complete all remaining slides. You will strengthen PMI mindset.
Week 3	03 Feb – 09 Feb	<ul style="list-style-type: none"> You must finish all PMIC slides by the end of this week.

PHASE 2 — EXAM DOMINATION:

Weeks 4–8 | PMIC LMS Mastery

Week 4 — Agile + Waterfall + FastTrack

Week	Dates	What You Will Do
Week 4	10 Feb – 16 Feb	<ul style="list-style-type: none"> You will complete agile, waterfall and FastTrack Questions from PMIC LMS. You will complete Rita FastTrack 11th Edition questions. You must review every wrong answer. You should refer back to Rita or Slides for every mistake.

Week 5 — Victory Zone + Videos

Week	Dates	What You Will Do
Week 5	17 Feb – 23 Feb	<ul style="list-style-type: none"> You will complete PMP Victory Zone questions. You will watch all PMP explanation videos. You must perform gap analysis. You should fix weak areas immediately.

Week 6 — PMP Premier Membership

Week	Dates	What You Will Do
Week 6	24 Feb – 02 Mar	<ul style="list-style-type: none"> You will complete PMP Premier Membership questions. You will analyze your domain-wise performance. You must revise weak domains using Rita & Slides.

Week 7-8 — Full Mock Exams + Gap Analysis

Week	Dates	What You Will Do
Week 7	03 Mar – 09 Mar	<ul style="list-style-type: none"> You will attempt full-length mock exams. You must attempt each mock exam only once. You will use study mode. You will perform deep gap analysis.
Week 8-9	10 Mar – 20 Mar	<ul style="list-style-type: none"> You will review every wrong question using Rita & Slides.

Exam Readiness Rule

After completing:

- ✓ Victory Zone
- ✓ PMP Premier Membership
- ✓ Full Mock Exams

If your **average score is above 75%** → You are ready for the PMP exam.

If your score is **below 75%** → You must contact me for recovery coaching.

Mock Exam Gap Analysis Method (Mandatory)

For every mock exam:

You will:

1. Attempt each quiz or mock exam only once under real exam conditions.
2. Review every incorrect question and read the explanation carefully.
3. Identify the real reason behind each mistake.
4. Revisit the related topic in Rita or PMIC slides.
5. Fix the knowledge gap with focused revision.
6. Move forward with better understanding and confidence.

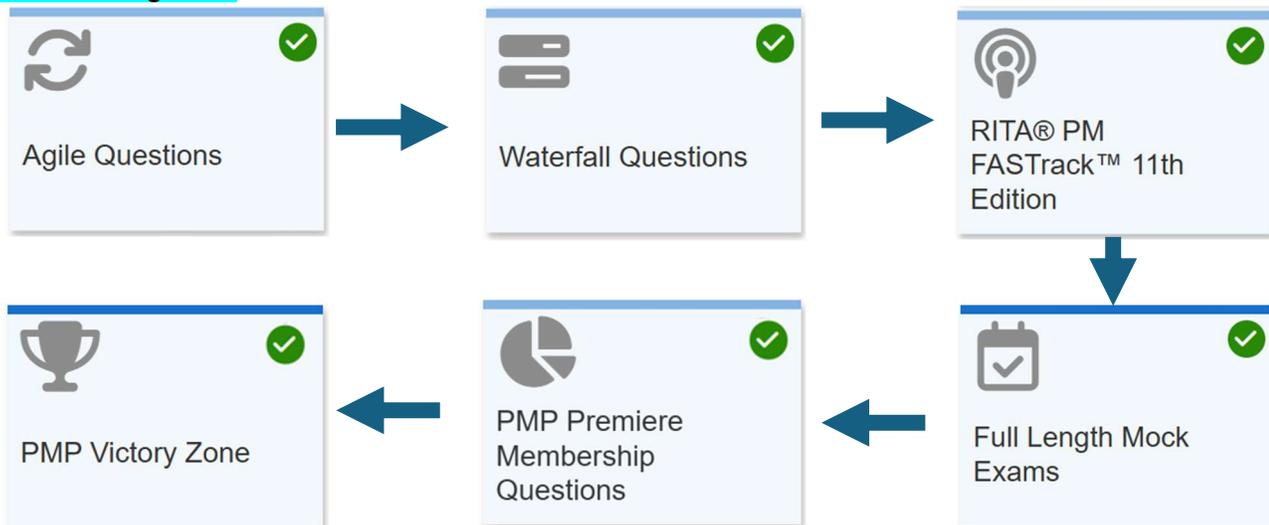

Rules:

- ✓ You will study every day
- ✓ You will not skip any week
- ✓ You will not mix resources
- ✓ You will follow the sequence strictly
- ✓ You will trust the process

Final Commitment:

If you follow this plan with discipline, consistency, and seriousness,
you will pass the PMP® exam on your first attempt.

LMS Learning Path:

21 - 30 March PMP Exam

PMIC Message: In July 2026, the PMP exam format and the PMP application process will completely change. It is very clear from the new ECO that the upcoming exam will be more difficult than the current format.

So, let's achieve this milestone in 2026. Let's influence our stakeholders through expert power. Let's clear the path for continuous improvement. Let's advance our careers.

PMIC is with you.

Thank you
